**MESSAGE**

I am deeply grieved to learn about the sad demise of Dr. K. K. Birla, veteran parliamentarian and an eminent industrialist.

Dr. K. K. Birla had served the nation with distinction during his many years in public life. He made valuable contributions for the industrialisation and economic development of the country. His deep knowledge, vast experience and in-depth understanding of the problems of the people have always guided him in his various activities as a parliamentarian, philanthropist, industrialist and scholar. In his death, the country has lost an eminent and multifaceted public personality who shall always be remembered.

My wife joins me in sending our heartfelt condolences to the members of the bereaved family and the wide circle of his admirers and friends and pray the Almighty to grant them the strength to withstand this loss.
