VICE-PRESIDENT OF INDIA

**MESSAGE**

I greet all citizens on the happy occasion of New Year 2010.

Like every year, this New Year also brings renewed hopes and expectations along with more challenges which can only be fulfilled by working unitedly with greater resolve and dedication. Let us work together in the New Year to meet these challenges facing the country and strive towards building a strong, united, peaceful and prosperous India.

May this New Year bring peace, prosperity and happiness to all.
