

उप-राष्ट्रपति, भारत
VICE-PRESIDENT OF INDIA

MESSAGE

I am very happy to have personally witnessed the launch of the Polar Satellite Launch Vehicle, PSLV-C14, today from the Satish Dhawan Space Centre, Sriharikota. Our space scientists have done the nation proud by this launch that carried three satellites, including the 956 kg OCEANSAT - 2 Satellite.

I congratulate our space scientists and all those associated with this successful launch.

(M. HAMID ANSARI)
